"American" Enameled Brick

The Standard of 20 Years

Representative Buildings from Dairy Barns to the most magnificent structures, erected for over twenty years, stand up in evidence of the durability and lasting satisfaction of "AMERICAN" Enameled Brick.

Specified by prominent Architects for the building of either exterior or interior walls of all kinds of structures where the highest standard of brick perfection is demanded.

Advise us of the nature of your new building to be erected and we will gladly submit a list of similar jobs where our product is used.

SAMPLES: Miniature or full size, forwarded all charges prepaid. Prompt attention given formal inquiries.

Write for catalogue or see our pages in "SWEET'S INDEX," 90-99—1914 issue.
